Understanding K9 behavior is the essential ingredient in developing a training program. Carlos Rojas is a professional dog trainer and is renowned for his endless accomplishments as an International and National Dog Sport (IPO / Schutzhund) competitor.

Our goal is to provide you with the necessary knowledge and skills. In establishing a clear line of communication with your dog through proper interaction. It is through obedience training that allows us the opportunity to alter or develop their behavior. Discipline is intended to experience the consequence of our actions to produce change. You will learn how to teach your dog basic commands and how to solve behavior problems such as excessive barking, unwanted jumping, heavy pulling on leash, possessive behavior and aggression to other dogs and people.

We look forward to seeing you!
